Creative Workshop Report

Title Hot Mess Workshop.

Age group: 17-24

Tutor: Cherie Sutcliffe.

### Description

Morning.

Fabric paint a bag with own design.  
Dry ~~it~~ with hair dryer then heat set with iron.

Afternoon

Mug and coaster decoration using infusible ink pens  
Choice of a pre prepared design to colour or draw and  
colour own design.

Demo how to prepare for heat setting in Mug Press.

### Attendees

Yim, Taneeke, Kaydence, Lucy, Kelsie.

Program/Lesson Plan

Morning

- Explain what workshop is
- How to paint on fabric with special Fabric Paint
- outlining with fabric black pen
- How to prepare bag with cardboard in middle
- Painting - drying - heat pressing to set paint

Afternoon

- Explain - what workshop is
- How to use infusible felt pens
- Explain about how writing in reverse using light box
- Showing the process of preparing - heat pressing design

Benefits to young people

- Learning how to use new products
- Using imagination with making their own designs

Key Outcomes

Time management -- Morning for one project - Painted Bag  
Afternoon for other project - Mug Press.  
Kids used imagination to create own design  
and went home with a painted bag, designed mug  
and coaster.  
Good happy workshop with lots of interaction.

For next time

Different surfaces to design on.  
Maybe use of stencils with fabric paint  
use of cut design in infusible ink or designing  
using sublimation inks in printer.
